## East Windsor Veterans Day 5K Road Race

Saturday, November 12, 2005

The Town of East Windsor Veterans Commission is planning several events to increase public recognition of veterans and Veterans Day. Among the events being planned for this November 12th is a "Veterans Day 5K" road race. We are looking for area businesses and residents to help support this event, whose proceeds will be used to establish a scholarship for children of veterans and for various town memorials to veterans and their sacrifices for our country.

We would like to include your name on our list of race sponsors. Your donation can be a great way to advertise your business! Your company's name will be printed on the race program that will be given to every race participant.
